# Announcement

---

THE SHORTHORN BREEDERS OF OHIO HAVE LONG BEEN RECOGNIZED as producers of top Shorthorns. Shorthorn history and tradition has been made and retained by the efforts of our many able breeders.

It is the intent of the members of the Ohio Shorthorn Association to make the Ohio sale one of quality and this thought is continually stressed when we are selecting cattle for our sales. It is not the claim of the sale committee that each sale animal is outstanding but we can safely say that this sale will be noteworthy by the absence of inferior cattle.

Just a little insight as to what our breeders are doing Nationally. At the Shorthorn Congress Show and Sale just held cattle from Ohio and consignors also to this State sale showed and sold cattle and in each case they were among the top cattle at the Show and Sale. One of the bulls that many breeders thought was the best bull at the Congress was consigned by an Ohio breeder and there will be numerous cattle in this sale of like quality.

We are offering but ten bulls but we feel that it is best to offer less bulls but better bulls so we can recommend each of the bulls as the improving kind in many herds.

We are indeed very proud of the excellent female consignment as they are coming from many of the top herds in Ohio. Study the breeding, conformation and color of this beautiful lot of young females. We offer both bred heifers that will be carrying the service of a top notch sire and the open group are really a sweet group of cattle.

Many of our breeders have dug deep into their herds to support this sale so it is our sincere hope that you will attend the Show and sale and support these breeders that are carrying the load for Shorthorns in Ohio.

It is with regret that we do not have pictures of each animal selling. We had made plans for pictures and had contracted with Mr. Abernathy to do this job but the snowstorm that we had in this area about the middle of December, made travel impossible. So through no fault of ours we can not present pictures, but request that you come to this show and sale on our recommendation as you can expect to see nothing but the best in this offering. It is our intent to have the top sale by a state association, so please study the list of consignors and the breeding of this offering, as we are sure they will please.

All the cattle will be shown beginning at 10 A. M. with the sale getting under way at 1 A. M. Lunch will be served at the sale barn.

To all its friends the consignors to the Ohio Shorthorn Breeders Ass'n extend a most cordial invitation to be with us January 23 at 6:30 P. M., the Neil House at which time we will have a banquet and the Annual meeting of the Ohio Shorthorn Breeders Association. Please advise how many plates you wish to have reserved. For those unable to be with us at the banquet, plan to attend the Show and Sale on January 24th.

Scottish Prince is a half brother to the sire of the undefeated get-of-sire at all of the leading shows in this country in 1944. A Prince Peter sired heifer was the champion at the recent Congress Show and Sale for Merryvale Farms. On the lower side of this pedigree, we have a long line of Cloverleaf breeding that has proven profitable for the Cloverleaf herd.

**Royal Echo 2099154**—This bull is a near perfect image of his illustrious sire Sni-A-Bar Royal Baron that has done wonderful service in the Elcona herd of Elkhart, Indiana. Cattle sired by this bull have sold at very attractive figures to many of the leading herds in this country. Sni-A-Bar Royal Baron was a great show bull as he was many times grand champion at the leading shows and has transmitted many of his desirable traits to his offspring. This sale bull has seen considerable service in the Moser herd but due to the small numbers of cattle in this herd there is no need for two herd bulls. This sale bull is solid red in his color, he will impress you with his smoothness throughout. He is thick from end to end and shows a great depth of body that is set on four well placed legs with a wealth of bone that we like to have on our herd bulls. No doubt this bull will appeal to many as he is ready for heavy service and he is bred to sire the desirable kind of calves.

This bull's lines, head and type are near ideal. He should make an outstanding sire for a top herd. Next we have Browndale Hero, a bull bred by Thomas E. Wilson and sold to Geishecker Bros., where he proved a great sire and at advanced age was repurchased for service in the Edellyn Herd. We also have the great show and breeding bull Brae Lodge Headlight. On the lower side we see Fascinator, another great breeding bull in the Helfred Farms herd. In the lower bracket we have Browndale Renown. We note that there is a wealth of red cattle in this tabulation. This is the first offering to a State Sale from the Miller herd but we are sure this heifer will appeal to the critical, sells open.
